

Our **DART (Drug and Alcohol Recovery Team)** and **Outreach Services** in Gloucestershire provide people with information and access to a wide range of services to help them recover from drugs and alcohol.

# 923

patients were identified with drugs and/or alcohol issues and provided with service in Gloucester Hospital, Cheltenham Hospital and Community Hospitals.

## 100%

of alcohol misuse referrals seen for brief interventions

## 396

people without permanent housing were seen in the Outreach and Housing Link service across Gloucestershire.

"She [Ara worker] **goes above and beyond**, she's amazing. She speaks to me about my addictions. I've been in the system my whole life. She gets me and we have a **good trusting relationship**. It doesn't feel textbook and she can adapt, she makes me understand it's important to be able to recover. **She makes you believe you can get better**, I feel I have a chance"

676 people seen for alcohol misuse received information, advice, guidance and talking therapies.

"She's a fantastic worker. She's amazing, she's always there to support, she goes out of her way to help. If she says she will ring you she will, if she says she will be there she will. Best worker I've had in a long time, I don't trust people and I trust her". - **Outreach Client**

"I can't believe how quickly they pick up referrals and how efficient they are. They are an asset to the service".  
- **Feedback on Ara DART workers**
