

Gloucestershire

Our DART (Drug and Alcohol Recovery Team) and Outreach Services in Gloucestershire provide people with information and access to a wide range of services to help them recover from drugs and alcohol.

870

patients seen in Gloucestershire hospitals in 2022-2023

650 alcohol-related brief interventions, more than double our KPI

467

OUTREACH CLIENTS SUPPORTED WITH THEIR SUBSTANCE USE

"I went into hospital and didn't want to see anyone. After I left I spoke with [an Ara worker] and they made me feel like I could make changes and was in a better place to get support"

"I struggle to engage in groups due to PTSD - I'm ex army. I struggle to be around people and the one-to-ones for my drinking have been great. I was drinking heavily and now I'm abstinent"

Aspiring - Brave - Confident - Determined
